Installeringsveiledning for Cicero Explore Designerklient

Cicero Explore Designerklient er et datavisualiseringsprogram som bruker programvare fra vår underleverandør TARGIT. Nedenfor finner du en veiledning til installering av Cicero Explore Designerklient.

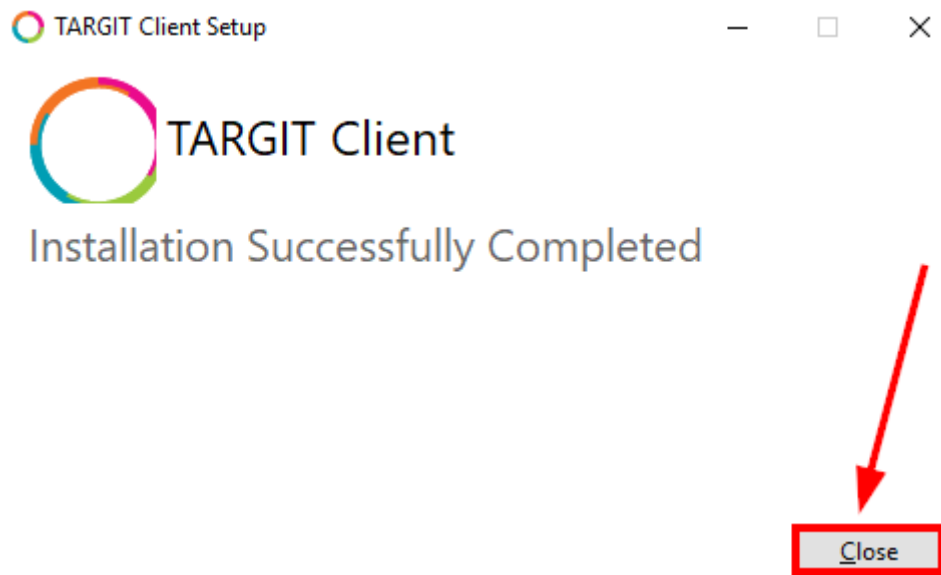

- 1) Gå til siden her:
<http://bi-client.cicero-suite.com/install>
- 2) Kjør "ClientInstall.exe".

- 3) TARGIT Client-vinduet åpnes. Kryss av for "I agree to the license terms and conditions", og trykk på "Install":

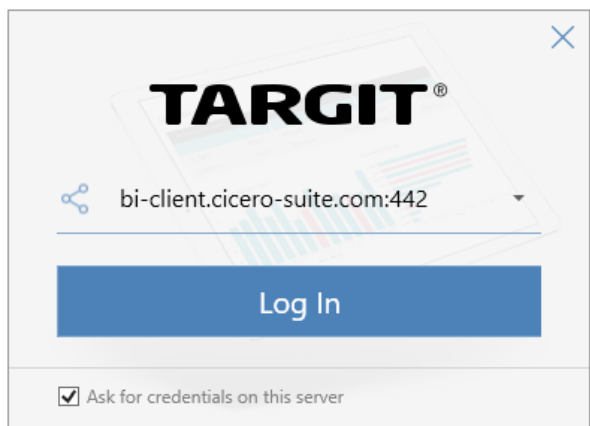

- 4) Trykk på "Yes" når neste vindu åpnes. Installeringen vil da starte.
- 5) Trykk på "Close" når installeringen er ferdig. Deretter vises følgende melding:

6) Åpne TARGIT-klienten og skriv inn følgende servernavn:
bi-client.cicero-suite.com:442

Kryss av for "Ask for credentials on this server", og trykk på "Log in".

- 7) Skriv inn brukernavn (for eksempel "DK-*****" eller "CIC-*****") og passord og trykk på "Logg på":

The image shows a login dialog box for TARGIT. At the top left is a globe icon and at the top right is a close button (X). The word "TARGIT" with a registered trademark symbol is prominently displayed. Below the logo, there are two input fields: the first is for the username, containing "DK-*****", and the second is for the password, containing "*****". Below the password field is a "Tilbage" button. At the bottom of the dialog is a large blue "Log ind" button. At the very bottom, the text "Version 2019.2 build 16514" is visible.

- 8) Nå er Cicero Explore Designerklient installert og koblet til serveren.
